AMY

Boat Description

Here is a great opportunity to acquire a virtually unused 57ft craft boasting lots of features to make it ideal for extended cruising or even living afloat, namely:-

- Cruiser stern
- Reverse layout
- Pump out WC
- 3kw inverter
- 5 berth
- Washing machine

Competently fitted out by the vendor on a 2006 Hankelow shell, Amy is fitted with a powerful Barrus Shire 45hp diesel engine that has recorded just 200 hrs of running time. From the large cruiser stern with rear guard rail/seat, via solid steel doors and steps, to the aft lounge area with L-shaped dinette converting to a double berth and further bench seat converting to a single berth with privacy curtain, centrally mounted multi-fuel stove fitted with back boiler for additional heating through radiators and demountable dining table. Forward to the larger than normal U-shaped galley fitted with Vanette oven/grill/hob, Beko fridge/freezer, Beko washing machine and stainless steel round sink and drainer. The kitchen equipment has had very little use. Forward to the tiled and panelled bathroom featuring shower, very stylish glass basin in vanity unit, pump out toilet and chrome heated towel rail. Forward to the bedroom with fixed double, wardrobe and good storage solutions. Solid steel front doors lead, via steps, to the foredeck. Throughout, Amy is finished in light oak panels with contrasting mahogany trims for a light and up to date feel. A shoreline connection provides additional 240v capacity. She is currently sited on hard standing at the marina after her last blacking.

Engine: Barrus Shire 45
Hours: 203

B.S.C – TBC

Dimensions:

Style : Cruiser

Length : 57'
Beam : 6'10"

Guide Price : £49,950
