

swanley brokerage HAYLEY

Boat Description

More space than NASA! Built in 2003 on a Reeves Narrowboats shell with cruiser stern incorporating a helmsmans seat, Hayley was converted to a simple liveaboard in 2008. Lots of large windows combined with a light painted interior to give an airy ambience to the interior. Fitted with a Isuzu 42 hp diesel engine with 5945 hours on the clock , PRM Newage gearbox and Aquadrive. Stainless steel watertank. From the stern, three steps down, with adjacent wet locker and cupboard, lead to an aft utility area comprising bench seat, storage cupboard with integral ironing board, washing machine, retractable clothes lines, two wardrobes and two free standing chests of drawers. Forward to the laminate lined bathroom with shower, basin in vanity unit, pump out w.c., heated towel rail and useful, full height storage shelves. Forward to the 8' long U-shaped galley fitted with modern, beech effect cabinets and contrasting dark, corian style work tops. Usual equipment including Vanette oven/hob, round stainless steel sink/drainage and fridge. Forward past a fixed double to the large lounge/dining area with a multi fuel stove, corner mounted in a tiled surround and t.v. cabinet opposite leading via full height double glazed doors with adjacent glazed panels to the bow area fitted with bow locker to starboard. Free standing furniture includes a clever drop leaf table concealing four dining chairs, two removable bookcases and two black reclining and swiveling chairs with matching footstools. Flooring throughout the craft is bamboo plank effect laminate. Shoreline connection, along with the Sterling 3kw inverter provide plenty of 240v capacity and there is a Sterling power management system , battery charger, an immersion heater and Eberspacher central heating. She was blacked here at Swanley in February 2010.
