Kimberley – Marine Cruises

Boat Description

Kimberley was built in 2005 using a R & J Reeves hull specifically for Marine Cruises fleet.

The vessel can sleep up to six in three double beds, including the optional one in the lounge. Alternatively the double in the rear bed cabin can be made up as two singles. She is very well equipped with two bathroom areas, one with shower, spacious lounge and plenty of wardrobe/cupboard space.

Inventory includes central heating, full size shower, pump-out toilets, interior sprung mattresses, cooker/oven/grill, fridge/freezer, colour T.V, radio, CD player and stainless steel water tank (140 gallons) etc...

Deposits are now being taken and the boat will be available from November 2010.
