Lucy – Marine Cruises

Boat Description

Viewing is by appointment only as this boat is situated off site.

Lucy was built in 2003 using a G & J Reeves hull specifically for Marine Cruises fleet.

The vessel offers a very flexible layout comprising of either double or single beds depending on what is needed. She can sleep six to eight in three double beds, including the optional double in the saloon/lounge, plus four singles, or she can be configured with up to six single berths and again the optional double in the saloon/lounge. With two toilets, one with a full sized shower and spacious lounge Lucy is a great cruising boat for large groups/families.

Inventory includes central heating, full size shower, pump-out toilets, interior sprung mattresses (excluding the saloon/lounge converting bed), cooker/oven/grill, fridge/freezer, colour T.V, radio, CD player and stainless steel water tank (140 gallon) etc...

Deposits are now being taken and the boat will be available from November 2010.
