MORIALTA II

Boat Description

Built in 2006 by Midway Boats on a Price Fallows of Shrewsbury semi-trad shell, Morialta II is fitted with an Isuzu 35 hp diesel engine incorporating a 'hospital' silencer for peaceful cruising. It has recorded just 918 hrs of running time and has been serviced annually. The interior is finished throughout with ash panels and hard wood trims to a standard which will exceed most expectations. The standard layout offers aft bedroom with robe and over/under bed storage, followed by a good sized bathroom with hip bath/shower over, basin in large vanity unit with storage and cassette w.c. with spare. The U-shaped galley has the usual equipment and a useful, slim, cupboard opposite. The fold down breakfast bar is a most useful feature. The open saloon area has free standing chairs with footstools, radio/t.v. and, of course, the multi fuel stove. The craft also benefits from Webasto oil fired central heating, a 1600w inverter and 1xstarter+ 4x110amp leisure batteries. The glazed cratch and rear covers provide for all weather cruising. The whole vessel is very well presented and viewing is strongly recommended. The BSC and license are both valid until July 2010

Engine: Isuzu 35hp 918 hrs

B.S.C – 07/2006

Dimensions:

Style : Semi Trad

Length : 55'

Beam : 6'10"
